About our guest speaker:

Rabbi Chanan (Antony) Gordon Prominent Lecturer

Rabbi Chanan (Antony) Gordon has become one of the most sought after presenters/lecturers by a wide range of organizations. From his days as a stand-up comic in Johannesburg, South Africa to organizing a major music concert while a student at the Harvard Law School to assuming the role of private wealth manager to some of the most prominent athletes and eminent families in the world, Chanan's life experiences are unique. Never boring, always inspiring, nobody will leave their seat without some nuggets of wisdom for life.

About the Eighth Day Band:

8th Day, the Jewish Rock group co-founded by brothers Shmuel and Bentzi Marcus, is one of the most in-demand acts today. With their latest hit album "Hooleh!", the group has now released five studio albums that get air play regularly on the radio, and have been some of the top sellers on the Jewish Music charts. They have played hundreds of sold out concerts across the globe. Touring in places like Australia, Spain, Israel, Hong Kong, South Africa, Scotland, London, Canada and all over the United States.
